

## Welcome to Steve's VUAC Page!

What is the **VUAC**? As quoted from the ARRL Web site at:

<http://www.arrl.org/arrl-staff-vuac-cac> (Scroll down the page past the CAC section)

“The Special VHF-UHF Advisory Committee (VUAC), recently established by the ARRL Board is off and running. The committee consists of a Chairman, a Representative from each ARRL Division (appointed by the Division Director) and a representative from Canada. The committee is charged by the Programs and Services Committee (PSC) with "doing no harm." The committee is expected to communicate with the V/U public and "seek consensus." Although an initial topic has been given to the committee at the outset, the PSC expects the committee to discover topics to consider from the public domain. The committee is not a traditional advisory committee. It is mandated to consider only contest issues, and its term is limited to six years duration. The term began on June 1, 2006. Please don't hesitate to contact your representative and share your views on VHF- UHF contesting issues.”

Why is this Steve's VUAC Page?

I have been appointed by the Southeastern Division Director Greg Sarratt, W4OZK, to fill the position held by Jim Worsham, W4KXY whom recently retired from the committee. (Thank you for your years of service Jim!) So, as part of my duties that I wish to fulfill, I have established this page to provide easy access to me for those that wish to express their ideas, opinions, and complaints about VHF/UHF/and Microwave contesting. Though my responsibilities are only to those in the Southeastern Division (Alabama · Georgia · Northern Florida · Puerto Rico · Southern Florida · US Virgin Islands · West Central Florida) I would be more than happy to direct your communication to your appropriate VUAC representative if you are not able to find him/her on the ARRL web site listed above.

How can we communicate with you Steve?

Anyone that wishes to communicate or discuss any VHF/UHF/and Microwave contesting issues with me can e-mail me at [n2cei-vuac "at" downeastmicrowave.com](mailto:n2cei-vuac@downeastmicrowave.com) unless I am away at a contest or traveling for work, I should be able to return your e-mail within 1-2 days.

See the VUAC's January 2011 report at

[http://www.arrl.org/files/file/About%2520ARRL/Committee%2520Reports/2011/Janaury/Doc\\_32.doc](http://www.arrl.org/files/file/About%2520ARRL/Committee%2520Reports/2011/Janaury/Doc_32.doc)

Thank you,  
Steve, N2CEI
